SPRING BULLETIN 2022

The Blessed Michael J. McGivney Honoris has received a great gift from our Supreme Headquarters in New Haven. It is a first class Relic (a piece of his hair) of our founder, Blessed Michael McGivney. We cannot express how overjoyed and how grateful we are about being provided with this wonderful gift.

We have permanently placed this Relic in the Honoris. It is located in the kneeler in front of our beautiful statue of Blessed Michael where it can be viewed by the members of the Knights of Columbus, the Faithful at large, and the general public. When you have an opportunity, we extend to you an open invitation to come to the Honoris where you may pray to Blessed Michael and ask for his help for your special intentions for your deceased and/or in times of illness, or other personal needs. The Honoris is located in The Scavi (lower level) of Saint Patrick Basilica.

We are certain that with God's help and Blessed Michael, this gift will aid us in our efforts to educate and promote awareness of who Blessed Michael McGivney was while on this Earth, what his legacy as a priest and as a person continues to achieve, and how much we continue to benefit from his works. We pray that with the addition of this relic to the Honoris, that the resolve of our brother Knights will be strengthened and to continue spreading of the word about Blessed Michael, and the importance of prayer.

On another note, I am sure some of you have seen the article in the (Winter Bulletin - 2022) on our proposed "Blessed Michael McGivney Candle Project". We are, at the present time, in negotiation with a supplier to have them produced. There will be more news on this in the near future. We are hopeful that it will soon be available.

We hope all will have a Happy & Holy Easter and that God & Our Lady, and our founder Blessed Michael McGivney will protect us all.

Blessed Michael McGivney, PRAY FOR US.

Vivat Jesus,
Michael O'Neill, Chair.
